Minimum Cost: There is a minimum cost of \$200.00 deposit necessary with work order, this includes shipping. New England Airgun does not do the work onsite, we work with a third-party who specializes in this field, therefore the items to be worked on, must be shipped.

Price: Due to any unforeseen issues or complications (ie. manufacture of new parts, parts to be ordered, etc.), no costs shall be confirmed with the exception of the \$200.00 minimum.

Restrictions: Certain guns cannot be worked on. This includes, but is not limited to:

- Huben guns or parts
- Skout guns or parts
- Digitally controlled guns (MatchGun Hybrid, Daystate Alpha, etc.)

Failure to pay: All products will be returned to the customer at completion of payment. There will also be a **30 day maximum** grace period after completion of the job. Failure to pay in time or at all, the customer will forfeit all products.

Please Check:

- I understand what I have read and agree to the terms and conditions described by New England Airgun.
- I agree to pay all monies owed at the completion of the work or within the 30 day maximum of completion.
- I understand the New England Airgun does not hold any responsibility for my product and that this is "after-market" work that could potentially void any warranties.
